

Ok, so what is the Christian Zombie Killers Handbook?

The Christian Zombie Killers Handbook is a unique and powerful blend of fiction, graphic novel inspired illustrations, and spiritual guidance, delivering a fresh, relevant look at the doctrines of sin, grace, and salvation. Each chapter unfolds the fictional life of Ben Forman bringing readers into the horror of a zombie outbreak.

Author/Pastor/Speaker Jeff Kinley has invested nearly 30 years teaching and discipling youth and young adults.

THE CHRISTIAN ZOMBIE KILLERS HANDBOOK

Slaying the Living Dead Within
(Thomas Nelson)

is a one-of-a-kind book that has already created a buzz in the secular world, securing Jeff an invitation as a featured speaker to a national zombie horror convention (Zombcon). The book has also reached the top 1% of Amazon sales since its October 2011 release (out of 8,000,000 books!)

But more importantly, the book takes the reader on a dark journey into their sin nature, exploring just why it is we all have such a struggle to obey God and walk in consistency with Him. The reader gets a biblical understanding of depravity and sanctification, ultimately showing him how to overcome the raging beast within. The book is written in a culturally-relevant style that both youth and adults identify with.

Though Jeff's humor will keep your students entertained, he'll also *equip* your students to overcome the beast living within them. Among the questions explored are:

- What is the 'sin nature' and why is it such a big deal?
- What does God really say about this inward battle?
- Why do I keep struggling with the same sins?
- How can I consistently beat temptation?
- How do I go beyond surviving to actually *thriving* in my walk with God?
- What role do friendships play in my struggle and victory?
- How do I overcome the downward pull of my sin nature?
- How can I genuinely trust Christ as my Savior?

Unlike some speakers/personalities, Jeff Kinley is a hands-on speaker. Not only will Jeff deliver awesome messages to your students, but he is also available to meet with youth staff or students for Q&A. Youth Pastors know Jeff as a personable speaker, and one who enjoys hanging out with students.

In a Zombie Killers Weekend, you also get:

- **Free** T-shirt logos/designs to choose from (We can even take care of the printing for you)
- **Free** custom Jpeg flyer/poster designs for promotional use
- **Signed Copies** of Zombie Killers (book costs covered in registration)
